Horticultural Society of South Jersey

EST. 1922

Please Join Us Everyone is Welcome

The purpose of the Society is to further the horticultural knowledge and interests of its members and the public.

Membership is open to anyone with an interest and appreciation of general horticulture. We have members at all levels of experience, from beginning to expert.

Meetings are held the second Tuesday of each month from September through June, starting at 7:15pm. We meet at the Carman Tilelli Community Center located at 820 Mercer Street, Cherry Hill, NJ 08002.

Come to a meeting as our guest. Plan to come early and mingle with our members before the meeting begins.

WHY YOU SHOULD JOIN THE HSSJ

At each meeting we first conduct our business meeting (approx. 30 minutes) and then we have our program for the evening. Refreshments follow the program.

There are two flower shows per season, awarding ribbons and rosettes. Arrangements, Potted Plants, Miniatures, Specimen and Photography are the categories.

Each month we encourage members to bring in a special or unusual plant to display.

We have a lively question and answer period to discuss problems you might have, soils, pests, diseases, etc. We have a "plant and craft" table most months but not during the flower shows). Our members bring in their extras and we sell them to members.

We have one bus trip per season typically to an arboretum, greenhouse, or botanical garden within our traveling area. We also have an annual picnic and one or two carpool trips to local areas of horticultural interest.

Membership Application

Annual Membership dues are \$25 per person or \$40 for two members residing at the same address. Your membership dues help us provide educational lectures and presentations. Membership is required to enter our flower show.
